State Issues

There are three state issues that residents are encouraged to explore in order to cast an informed vote.

State Issue Two – Anti-monopoly amendment: protects the initiative process from being used for personal economic benefit

State Issue Three – Grants a monopoly for the commercial production and sale of marijuana for recreational and medicinal purposes

Reminder...LEAF COLLECTION

Township workers will again be picking up leaves this fall. Collection began on October 26th and continues until November 30th. Any leaves at the curb by November 30th will be picked up.

Please be sure to keep the leaves close to the edge of the road. And please keep the leaves clear of brush and sticks. The larger materials have a tendency to clog up the equipment.
