## Portage Township Fall Clean-Up

Saturday and Sunday: 9:00am to 5:00pm

October 2<sup>nd</sup> and 3<sup>rd</sup>

At the Portage Township Complex.

Dumpsters will be available, and township employees will be on hand each day to assist residents. The clean-up is intended to provide an opportunity for residents to dispose of accumulated household items. It is not intended to be an opportunity of disposing excessive amounts of building materials.

**Residents are reminded that daily household garbage, tires, asbestos, liquid waste, batteries, or yard waste will not be accepted.**

## LEAF COLLECTION

**After raking, do not put leaves in township ditches**

The Township workers will soon be picking up leaves. Collection will be the month of November.

Any leaves at the curb by November 30<sup>th</sup> will be picked up. **Please be sure to keep the leaves close to the edge of the road and within six feet of the curb.** And please keep the leaves clear of brush and sticks. The larger materials have a tendency to clog up the equipment.

## Township Community Room

The Community Room remains closed until further notice. There is no opening date at this time due to COVID 19 precautions.
