TOWNSHIP RESIDENTS ONLY

Township maintenance complex, 2501 E. State Road.

Dumpsters will be available and township employees will be on hand each day to assist.

The clean-up is intended to provide an opportunity for residents to dispose of accumulated household items. No household garbage, tires, asbestos, liquid waste, batteries or commercial remodeling project materials

LEAF COLLECTION

Township workers will again be picking up leaves this fall. Collection will begin on October 18th and continue until November 30th. Any leaves at the curb by November 30th will be picked up.

Please be sure to keep the leaves close to the edge of the road. Keep leaves clear of brush and sticks which clog up the equipment.

KEEP DITCHES CLEAR of any leaves as the township will sweep them up and yard waste must be taken to the township compost bin. Do not put anything in ditches or other people's property!

CEMETERY CLEAN UP – October 2nd – 8th. Items may be returned on Friday October 9th.

Happy Fall!
