DECEMBER

- 2 Trustee Meeting 7pm
- 16 Trustee Meeting 7pm
- 25 Christmas

BIANNUAL CLEANUP EVENT

The biannual Portage Township cleanup will be on October 4th & 5th from 9 am – 5 pm at the Portage Township Complex. Dumpsters will be provided for residents to dispose of accumulated trash. Township employees are on hand each day to assist residents in unloading.

Residents may dispose of accumulated trash, such as freon-free appliances, tire rims, oil-free engine parts, and small amounts of construction debris. The cleanup is intended for residents to dispose of household items that are not picked up by residential trash service.

Daily household garbage, tires, asbestos, liquid waste, batteries, or yard waste cannot be accepted. The clean-up is not intended for commercial use or for disposing of excessive amounts of home renovation and construction materials.

If you have questions about the suitability of a material you would like to dispose of, feel free to call the maintenance garage at 419-732-3543.

WINTER WEATHER IS COMING

Really it is only Fall still. But it's never too early to start reminding our residents of ways to help during the winter months.

Please assist the fire department in keeping fire hydrants on or near your property clear of snow or ice. Don't push snow up to the hydrant when cleaning snow off your driveway or sidewalks.

Also, make sure your mailbox is securely in place for the upcoming winter snow. It is the resident's responsibility to make sure the mailbox is always secure. It is much easier to do this ahead of time – before it gets too cold outside!

And – SLOW DOWN on the roads during the winter months. A few minutes saved in your trip is not worth the increased chances of having an accident.

GET OUT AND VOTE

Tuesday, November 5, 2024

A friendly reminder to GET OUT AND VOTE! Make your voice heard and your vote count! Portage Township residents can come down to the Portage Township Complex from 6:30 am – 7:30 pm.

Port Clinton, OH 43452

NEWS & UPDATES

FALL 2024

LEAF PICKUP

The Portage Township leaf pick-up program helps township residents dispose of leaves without harming the environment. Leaf collection starts in late October and runs through the end of November.

Please help the township workers by keeping sticks and other dense materials out of the leaf piles. Since our equipment has a limited reach, please do your best to keep all leaf piles off the pavement but no further than 6 feet from the edge of the road.

CEMETERY CLEANUP

Cleanup activities will take place the first full week of October. Any decorations remaining during the cleanup will be removed and disposed of by the cemetery personnel. Decorations may be placed on the gravesite again one week after cleanup week is completed.
